

Dolby & SoundField present *The Surround Sound Seminar at CABSAT 2011*

Dolby Laboratories, a leading innovator in audio entertainment, together with SoundField, a leader in surround sound microphones and upmixing technology, take great pleasure in **inviting you to a free seminar** to discuss **surround sound** capture, mixing, audio asset management, and distribution **within the broadcast chain**.

This will take place on **8 February from 1 p.m. to 4.30 p.m.** in the dedicated conference area in the [CABSAT Academy](#). If you are unable to attend the seminar, please come along for drinks at 4.30 p.m. in the same location where we will have technical experts available.

To guarantee your seat at what promises to be a popular event, simply email us directly at cabsat@dolby.com.

Looking forward to seeing you there!

Kind regards,

James Caselton
